

2840 N. Lincoln - Plaza Vista Townhomes

Plaza Vista,
*2840 N. Lincoln Avenue,
Chicago, Illinois*

A new 60,000 square foot mixed-use building. The lower two floors have commercial store fronts with parking in the back. The upper three floors contain 17 residential units. Lower level construction consists of masonry and concrete bearing exterior walls and interior structural steel frames supporting precast floor slabs. The residential construction is light gage steel stud bearing walls with metal plate connected wood truss floor framing.

Architect: Mayer Jeffers Gillespie Architects
